Agents Wanted for the above Company.

Highly Important to Farmers.

The only Exclusive Farmers' Insurance Company in the West.

THE MADISON MUTUAL,

Located at Madison, Wisconsin.

THIS COMPANY CONTINUES TO TAKE RISKS upon Farm Property only, consisting of buildings of all kinds, (belonging to farmers,) household furniture, grain in barns, live stock &c, from one to five years, at lower rates than most other responsible Companies

All losses promptly paid as the claims as soon as proof is made thereon.

We know it to be for the interest of the farmers to insure in this Company, their property being less hazardous than any other, consequently you will have no losses, only your own of the same class, and all will be on an equal footing

Experience has shown that two thirds if not three fourths of all the fires that occur are upon stores, taverns, mills, shops, and such like property. In this Company such property is rejected positively by express terms above

Farmers, look to your own interest and insure in a Farmers Company

We have been doing business a little over three years and we have not been obliged to assess our premium notes, and for the last fourteen months have not had a single dollar loss, though doing a large and prosperous business, which we believe to be without a parallel in the history of insurance

The best of references given as to the responsibility of the Company.

FIRE INSURANCE COMPANY.

Office in Martin's Block, Milwaukee.

Capital over $144,000—in Cash and Premium Notes

THIS Company offers unrivaled facilities for the insurance of Buildings and Personal Property against fire. The advantages offered are security beyond the reach of contingencies, as the real estate insured is by law bound for the assessment made to cover losses beyond the power of evasion. Every person insured is a member of the Company, and entitled to one vote. The cost of insurance does not exceed one third as much as in Stock Companies, saying nothing of the increased security and the incomparable ease with which losses are settled. During the last one years, this Company have issued 2500 Policies, and made but three assessments at a cost to the property insured, not exceeding two mills on the dollar. Its business is principally confined to this State.

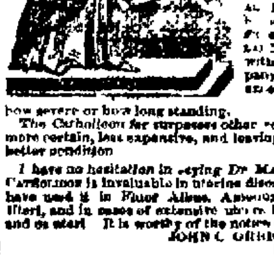
CELEBRATED CATHOLICON

For the Relief and Cure of Suffering Females



IT STANDS PRE-EMINENT [illegible] the [illegible] it is [illegible] called

Female Complaints

[illegible] Womb, [illegible] [illegible] Weakness, [illegible] Painful Menstruation, [illegible] with all their accompanying evils, (cancer excepted,) no matter how severe or how long standing.

The Catholicon far surpasses other remedies, in being more certain, less expensive, and leaving the system in better condition

I have no hesitation in saying Dr MARCHISI'S UTERINE CATHOLICON is invaluable in uterine diseases generally. I have used it in Fluor Albus, Amenorrhoea, Prolapsus Uteri, and in cases of extensive ulceration of the vagina and os uteri. It is worthy of the notice of the Faculty

JOHN C ORRICK, M D

Baltimore, Md

The Catholicon is doing good service here. All the patients that have tried the medicine have been benefitted but one—and that one nothing will help

Truly Yours,

WM. LAIRD HAVERTY, M D,

July 6th, 1854 New Philadelphia, Ohio.

I must say, from my own experience and personal observations in my practice, it has proved to be the best and safest remedy for the difficulties for which it is recommended, viz that of female weakness, such as Prolapsus Uteri, Fluor Albus, and all irregular and painful menstruation, and diseases of irritation of the female organs

D Y. FOOTE, M D

Syracuse, N Y.

Those needing such a remedy should inquire into the merits of this medicine, and by calling at the store of the undersigned can obtain a pamphlet (free) containing ample proof, from the most respectable sources, of the beneficial results of its use, together with letters from highly experienced Physicians, who have used it in their practice, and speak from their own observations.

JUDICIAL ELECTION,
Tuesday, April 3.
For Associate Justice of the Supreme Court,
ORSAMUS COLE.

☞ The Asia, with a week's later dates from Europe is now over-due at Halifax and has probably arrived, but the Telegraph line being down yesterday, we could get no tidings of the [illegible].

The See Bote and the Sentinel.

The See Bote, a German Catholic paper, pub[illegible] uttered in its regular daily [illegible] of Tuesday, the following bull of excom[illegible] against the *Sentinel*, by way of back[illegible] Jacob Best's Barley corn edict [illegible] the offending paper.

Melancholy, but True.

[illegible] which hitherto took great [illegible] nativistic, foreigner-de[illegible] could not resist, in the last days [illegible] of its bad nature, and [illegible] like a man who has lost his [illegible] considered the "Sentinel" a [illegible] but we are now compelled to [illegible] been deceived in it. We see [illegible] of grace, which this paper [illegible] to the immigrated popula[illegible] a mask, under which it hid [illegible] native-face. Now, it has [illegible] mask and it stands before us in [illegible] nakedness. The "Sentinel" [illegible] the last days to the level of [illegible] paper, and we don't [illegible] mistaken in denouncing it as [illegible] of the Know Nothings of Milwau[illegible] is a character, for which [illegible] no honest German, can [illegible] Only men, like the "Cor[illegible] of that kind, may like it. "A [illegible]"

It is quite unnecessary to say to the readers of the Sentinel [illegible] native-born or adopted citizens that the charge here made against us is a [illegible] *lie*, unworthy of any man [illegible] newspaper. The columns [illegible] are the only witnesses we need or [illegible] the accusation of the *See Bote* as [illegible] maliciously false. We challenge [illegible] editors or proprietors of that concern [illegible] our paper one sentiment, or syllable, [illegible] or even excuse, the gross fab[illegible] have thus attempted to palm [illegible] readers. The *Sentinel* has always [illegible] liberal course towards our [illegible] and condemned alike the banding [illegible] native-born citizens to oppose those [illegible] of the latter to war upon the [illegible] or editor of the *Sentinel* was a member of the Convention which framed our [illegible], and his vote stands recorded, [illegible] in favor of equal rights, laws [illegible] for the citizen by birth and the citizen by adoption. This has been our faith, this [illegible] during seventeen years connection with the public press. We have never entertained, or expressed any different sentiments, and we are not likely to change our convictions now. Is anything more needed to show how utterly [illegible] and inexcusably false is the [illegible] from the *See Bote*? Nor can we conceive what has prompted them to publish such a base slander against a contemporary at whose hands they have invariably received fair and courteous treatment, unless it be because the *Sentinel* sustains the Prohibitory Liquor Law and condemns the Executive Veto [illegible] measure of the *See Bote*, if that is what you mean when you lyingly charge the *Sentinel* with "throwing off the mask" and [illegible] and distorted native-face?"

Produce in Store at Milwaukee.

We [illegible] an accurate statement of the produce in store at this port to date, March 31, prepared by the Committee of the Board of Trade, and compare it with the approximate estimate of the [illegible] in store at the same date last year.

	March 31, 1854.	March 31, 1855.
Wheat, bushels	490 598	514 714
Oats,	185 680	1,300
Barley,	66 870	19 881
Rye,	45 631	18,735
Corn,	4 510	7,682
Grass Seed		429
[illegible]		469
Flour, bbls	55 006	62,926
Pork, "	27 235	22,574
[illegible]		4 580
Hams, Shoulders and Hides, lbs,		1 431,364
Beef bbls	347	672

There is a considerable falling off in the coming [illegible] (except corn) but a large increase [illegible] wheat, flour and the products of the hog. In 1854 the latter item was nearly all in[illegible] the 27 235 bbls pork, while in 1855 it is subdivided into Pork, Lard, Hams, Shoulders and Sides. The coming month of April will add to the stock on hand of Grain and Flour, and the opening of navigation, which is scarcely hoped for before the 1st of May, will find full two millions worth of Wisconsin produce at Milwaukee, ready to go forward.

Milwaukee and Mississippi Rail Road.

We are gratified to learn that a very favorable proposition has been made to the Board of Directors of the M. & M. R. R. Company, now in session in this city, for prosecuting and completing the road to its proposed terminus at Prairie du Chien on the Mississippi, by the 1st of December 1856. The terms offered are not only reasonable in themselves, but entirely within the means of the Company to meet; and the gentlemen submitting the proposition offer ample guaranties that they will fulfil on their part.— The completion of the Rail Road communication between Lake Michigan and the Mississippi, by the M. & M. R. R., within 20 months from date, would confer incalculable advantages upon our City and State. We hope, therefore, that the Directors will promptly accept the pending proposition and put the road under contract to the Mississippi without delay.

ELEVENTH JUDICIAL CIRCUIT.—The Appleton Crescent says it is thought the Legislature will, before its adjournment, organize that portion of Wisconsin, now covered by Lake Michigan, into the 11th Judicial District, the judge to hold court occasionally, if not oftener, on a fishing smack off Bailey's Harbor.

STEAMERS AND VESSELS AT BUFFALO.—The Buffalo Express of the 25th says that there are 12 steamers 24 propellers, 10 barques, 25 brigs and 97 schooners—in all 164 vessels—in that port, ready for commission when the Lake opens:

Eight new vessels from three to four hundred tons each, and one new Propeller of about 265 tons are on the stocks, to be ready for service on the opening of navigation.

THAT BA[illegible] AN ERROR.—In setting up Jacob Best's proclamation, yesterday, the compositor omitted the brackets round the words "in liquor," in the first line, making it appear that Jacob addressed himself to the "friends of Free Trade in liquor" when he only said—whatever he meant—"the friends of Free Trade."

WISCONSIN & IOWA FARMER.—We are requested by the proprietor of the *Farmer* to state, in explanation of the delays which have attended the publication of the last two numbers, that he has been much hindered by sickness in his family and among his hands and found it impossible to get his press-work done in season. He hopes for better luck in future and meantime solicits the indulgence of his patrons.

MILWAUKEE AND MISSISSIPPI R. R. BONDS.—At Mr. Nicolay's Auction sale of stocks and bonds in Wall Street on Monday last $6000 Milwaukee & Mississippi R. R. 7 per cents sold at 82½.

From Madison.

EDITORIAL CORRESPONDENCE OF THE SENTINEL.

Madison, March 29.

The sky is clear to-day, and the sun shines brightly, giving us the first real Spring day of the season.

The Census Bill has passed both Houses.— Under the embarrassed financial condition of the State, it was thought best not to attempt making a collection of statistics such as was contemplated and much desired, but to confine the matter to a simple enumeration of the people.

In answer to a resolution of enquiry from the Senate, the Secretary of State says that the old contractors on the Fox River Improvement have filed their release of the State from all liabilities under their several contracts.

The Report from the Finance Committee of the Senate, a very brief statement of which I have already sent, is worthy of particular remark not only as showing the people the large amount of taxation which will be imposed upon them as the penalty of their folly in placing the State in the hands of the present administration, but as exhibiting the wonderful discrepancy between the *estimated surplus* of about $35,000, to be found in the Treasury 1st Jan. 1856, and the *actual deficit* of nearly $200,000 at that date. By the time the people have paid the $350,000 to be raised this year, they will appreciate some things as well as others. Let it be noted particularly, that the deficit does not arise from appropriations made this year, but from the vast amount of expenditures which came over to this unfortunate year 1855 to be paid out of last years tax Thus the Treasury has been drained long ago and a great portion of the appropriations of this session remain over The State Prison appropriations alone (for South Wing—support of prisoners, &c., &c.,) amount to over $90,000.

SENATE—Bills introduced:

By Mr. Bowen, appropriating $1054 to J. N Ackerman for fitting iron in State Prison.

By Mr. Bowen, appropriating $54 to W. H. Gleason.

By Mr. Bowen, appropriating to certain persons.

By Mr. Cobb, appropriating to certain persons.

By Mr. Giles, to discontinue certain roads.

By Mr. Harvey, to levy a tax of $350,000 —*Passed*.

By Mr. Harvey, appropriating $5000 as a contingent fund, and repealing the clause under which the $600 (*&c*.,) was drawn—*passed*.

Messrs Dewey and Worthington were appointed as the Committee on the part of the Senate to confer with Mr. Proudfit.

ASSEMBLY:

Bills introduced:—

By Mr. Welch, to vacate part of the plat of Neenah.

By Mr. Vilas, providing for improvement of buildings in Madison.

By Mr. Rogan, amending an act amending charter of Wat & Berlin R R.

By Mr. Ramsey, authorizing Ozaukee Co. to purchase an abstract of title.

(Mr. Dolany moved to refer this to the delegation from the two counties of Washington and Ozaukee. Mr. Ramsey opposed the reference—*Lost*.)

By Mr Hull, a memorial to Congress for a grant of Fort Crawford *for a Lunatic Asylum*.

Mr. Pratt, from Committee on Town and County Organization, reported unanimously in favor of the bill for dividing Milwaukee County, introduced by Mr. Chase. The Committee state some of the reasons, one of the most important being the large poor-tax which the county towns are obliged to pay, while the expense is justly to the city; the city licensing dramshops and taking the license fee to itself, while the pauper expense resulting therefrom are paid by the county.

Mr. Goodall moved the reference of the bill and report to the delegation from the county.— He said that although the delegation stood only *one to* ten (in both Houses) *against* the division, yet the majority did not desire to occupy the time with discussion, and the reference was a proper one in all such cases.

Mr Chase opposed the reference, as being intended to kill the bill He proceeded to urge reasons for the passage of the bill, alleging that the taxes upon the county towns of Milwaukee county were greatly in excess of those of adjoining towns in other counties. He said that he had presented here petitions from the Supervisors of all the towns but one, and from some 800 people asking for the division.

Mr. Hull, stating that it was too late to consider a question of this importance at this period of session, moved an indefinite postponement. *Lost*.

Mr. O'Neill spoke in favor of the reference, urging that no action had been taken by the people, and no instructions sent to their representatives on the subject. One member only was in favor of the division, and the petitions had been got up by some one on his own account.

Mr. Lavis (from Lake and Greenfield) was against the division, and he believed that his constituents were opposed to it. He was in favor of the reference, so the matter might be talked over He doubted whether anybody could show him that the taxes were likely to be any less after a division.

Mr. Ruan (from Franklin and Oak Creek), said that he had been at home, and could not find any one in his district who wished for the division. He believed it to be a scheme for making a new batch of County Officers. The gentleman from Wauwatosa had got up the project, in order to make the new county of Wauwatosa.

Mr. Hull said that his experience in these county seat matters determined him to resist the progress of the bill at all hazards, and the majority would have "a lively time" again. He moved a call of the House The call was made and proceedings under it dispensed with.

Mr. Vliet spoke for some time in favor of the reference, when, the morning hour expiring, the subject went over.

Under the head of Reports, Mr. Vliet reported back the Milwaukee Water Works Bill, with amendments providing for a vote of the people on the loan of credit.

A new bill, providing for pre-emptions on Swamp lands, was considered in Committee of the whole, and passed. I doubt whether there is a necessity for this law, since the passage of the late act of Congress, for the relief of settlers on swamp lands.

A resolution passed calling for the distribution of five copies of the Agricultural Report to each member. It was stated by Mr. Van Nostrand that the Society does not intend to issue a volume for 1854.

A long list of bills passed in the morning session.

The session ended with the killing—and a very improper killing, I think—of the Senate bill appropriating the income of the University Fund for 1855 to that institution. A dead set at this institution and its funds have been made by some of the members, led on by Judge Rose.— They complain that the University is not doing as much good as it ought to, and desire to distribute the fund to the various collegiate institutions in the State. It is certainly a matter of regret that the University is not, in its number of students, acquiring such a standing as is fairly to be expected; but just as certainly, the way to improve it is not to take away its means of existence, and lock them up in the Treasury, to be used, perhaps, by others, when the till is empty. I hope the vote will be reconsidered, and the bill pass.

In the afternoon, the Assembly adopted only about half a dozen members voting, a resolution, directing the distribution of 5 copies of the Documentary History to each member.— Mr. Bennett took occasion to express the hope that none should be sent to him. *Query*—will not this heedless action be held as an acceptance of the miserably shabby volume?

In Committee of the whole, the memorial to Congress for a grant of Fort Crawford for a Lunatic Asylum being under consideration, Mr. Hull took occasion to say that he believed the Fort could be obtained for the purpose, and that the building was of stone, and cost the U. S. nearly $100,000—that there were all accommodations for 8 companies of infantry,—and that he thought that the building could be fitted up for $3000. There may or may not be any cat under this meal; but it is currently stated that this project is only one of the steps in carrying out the programme of the administration.—defeated in its Asylum swindle,—of trying to scare the Madison people who have opposed that swindle. As an original proposition, there is good reason to think that the idea of using the Fort as proposed, is a first rate one.

The following bills passed in the afternoon:

Relative to writs of error.

Vacating Adams street in La Crosse.

Requiring the supervisors of Calumet Co., to settle with W. Foken.

Vacating part of plat of Neenah.

Authorizing Milwaukee to aid Water Works

For relief of purchasers of Sec. 16, Town 24, Fort Howard Reservation.

Relative to licenses in Dane Co.

Amending charter of Milwaukee.

Charter of St. Louis Bay Transportation Co.

Authorizing D. E. Durkee to build a dam.

Authorizing Fox River Improvement Co., to improve river above Lake Winnebago.

Amending R. S. relative to superintendents of the poor.

Appropriations to Welstood & Co, $280,—for extra labor of convicts in State prison $2813,—S. S. Conover.

Concerning distribution of documents to literary institutions.

Charter of Appleton Hotel Co.

" " Percival Mining Co.

Messrs *Welch, O'Neill*, and *Wakely*, are the Committee on the part of the Assembly on the Asylum Bill.

P. S. 7½ P. M. The memorial for Fort Crawford passed, 58 to 10.

The Assembly, after a brief discussion, reconsidered the vote refusing to pass the University Bill (the vote was 23 to 44,) and *passed* the bill by vote of 44 to 22. Quite a revolution.

W. H. W.

P. S.— It is well understood that emissaries are at work thoughout the state, laboring to excite our foreign-born citizens to vote *against* Mr. Cole, for Judge of the Supreme Court, on the false charge that he is a member of the order of Know-Nothings, and *for* Mr. Crawford because he is an Irishman. Can it be possible that these men do not see that if they persist in such appeals to nationality, they will inevitably compel American-born citizens to assert their rights, and their power? It must be the poorest sort of stupidity that cannot see this.

Senator McGarry and the Administration.

MESSRS EDITORS:—I perceive an expression of astonishment and curiosity in your paper this morning, as to what could be the matter with Senator McGarry—what has turned him over to "the Forty," and induced him to misrepresent his constituents. Perhaps if you knew how much has been loaned to him, directly or indirectly, thro' the names of friends, from the School Fund—how many choice selections of School Lands have been made by him, thro' the favoritism of Clerks in the School Land Bureau—and what was the consideration for his recent appointment in the Waupun State Prison, in the place of John Lowth, your surprise would cease, and the seeming mystery about the course of the recreant Senator, be explained. Suppose you let your Reporter consult the public records and post you up.

Another "Free Trade in Liquor" Demonstration.

The Ozaukee *Advertiser*, a democratic paper, contains the following communication from a respected citizen of that town We commend it to the special attention of the people of this State as illustrating the spirit in which a Prohibitory Liquor Law is opposed by certain parties in their midst:

Mr. Editor:—Perhaps I ought to make public acknowledgement of the favors that a portion of the citizens of this place conferred upon me yesterday. Any person under the circumstances could not but have been very grateful. It is well known what my opinion is of Gov. Barstow's efforts to promote temperance in this state, and of his last crowning act in that direction, in particular.

When, therefore, I heard yesterday morning that money was being collected to buy powder to celebrate the veto of the Maine Law bill, I went to the individual who was collecting this money, and represented that I did not think the cause of law and order would thus be promoted, and urged on his mind the fact, which he well knew, that the anti-temperance sentiment of this place needed no such stimulant. I did so, because I knew that individual had influence, and might, by saying the word, prevent another of those disgraceful scenes, for which this place has always had an unenviable notoriety. As the result of that effort on my part, (as I must think,) made in good faith, as a law-abiding citizen, my residence was *surrounded by a large company of inebriated men, and my family insulted in the most vulgar manner, and afterwards they came before my mill door, when one of them made a most brutal assault upon my person.*

Now if the object of this crowd was to express their disapprobation of my course, be it so: I confess to being, both by precept and example, one of the few strictly temperance men of this place, and it is not likely that such demonstrations will change my course. If intimidation was meant, all I have to say is, that it will take an altogether different demonstration to accomplish that object.

Now I do not ask sympathy, but I do ask the well meaning citizens of this place to remember these things, and when the time comes for action, to act in reference to them.

The number of these lawless individuals is not great, and would be fewer but for the liquor traffic, and we can, if we *will*, purge the community of their presence.

JULIUS TOMLINSON.

Port Washington, March 27th.

RACINE ELECTION.—The Republicans of Racine held a very spirited mass meeting on Wednesday evening last and nominated the following excellent ticket:—

For Mayor—Gilbert Knapp.
For Treasurer—John Roberts.
For City Clerk—Richard W. Rowe.
For City Marshall—Ebenezer Weed.
For Justice—Isaiah G. Parker.
For Railroad Com'r.—Marshall M. Strong.
For School Superintendent—M. P. Kinney.

For Special Assessors—Norman Clark, M. B. Mead, L. B. S. Miller,

After the completion of the ticket, the nominee for Mayor briefly addressed the meeting, after which an adjournment was moved and carried to meet at the polls on Tuesday next, and elect the whole ticket.

Consistency—A Partizan Veto.

The objections to the bill to pay Rufus King & Co., for Supreme Court Reports were based on an assumption not warranted by the law authorizing the work. The Governor actually professes a desire to *economize*, and to do it, too, by violating the agreement with the publishers, under the sanction of the State.

The consideration of the subject was postponed until to-morrow afternoon.

Contrast this now with the next veto, endorsing the Proudfit contract, putting the State into a bill of half a million of dollars, under a law authorizing a cost of $22 300.—[Madison Patriot, (dem.)

The Message of the Governor returning the appropriation bill of Rufus King & Co. with objections, was taken up.

After some comments the question, shall the bill pass notwithstanding the Governor's objections, was put and resulted as follows—ayes 42, noes 28.

[The veto of this bill by the Governor is a flagrant and wanton outrage on individual rights, and stands in bold contrast with his action on the Asylum Swindle. The work was done in good faith, under law of the State; and certified to be reasonable and correct by the Judges of the Supreme Court, one of whom, we believe, reported the cases published. The veto has every appearance of being dictated by pure malice, and partizan spite.—[Madison Patriot.

KENOSHA CHARTER ELECTION.—CHARLES C. SHOLES, now Mayor of Kenosha, and an excellent officer, is a candidate for re-election, at the request of citizens of all parties. JOHN V. AYER, a well-known merchant, is his competitor.

A Communication from Mr. Grotkie.

Our worthy friend, Mr. Grotkie, sends us a communication on the subject of the Temperance Bill and the Veto which we hasten to lay before the public. The Millerites should take fresh comfort in Mr. Grotkie's prediction about the two stars running foul of our globe in 1858, and the Liquor Dealers find a novel argument for supplying their customers with strong drink in this world, seeing that, according to Mr. Grotkie, they are not to be allowed a drop of the "crather", in the next.

VERY GENTLE EDITORS OF THE SENTINEL:—

Much resp. Compliment I represent into you, if your Praiseworthy Attention find a little taste? so I wish it to put for your gentle reader, first I was very angry to learn that our else so wise Governor, not find taste to banish away the reason of to make pitiful drunkards—but by meditation I discovered, that he, the Praiseworthy Governor, had done very well to the class of people, which estimate the locals of store houses of Drunkard's Stuff, as a little heaven, & why would our else so Praiseworthy Friends of Temperance, take away such a heaven of Drunkard people, if they else life in good order—? why would you torment souls with thirst—before it is time? O Gentle Temperance Friends, take notice of this—pity and meditate in future a better Law—and let orderly wise those people drink, and be drunken, if they please? because in the Exceeding thirsty hell—will offer them not one drink of refreshment. ONLY ONE NEGATIVE VOTE ON BOTH HOUSES — Senator Dieredge's Bill, which we give below, repealing the act of last winter, relative to Lunatic Asylum, passed the Assembly (we gave yesterday an account of its passing the Senate unanimously) yesterday with only one dissenting vote, and the Governor finding the thing getting rather warm and seeingno hope of getting it withhis prise, sturn ther bill yesterday forenoon to the Senate with his signature So that gigantic swindle is broken up—and the people may be a the freer, at havingescaped so dreatful a calamity.—[Madison Patriot (Dem.)

BOARD OF TRADE.

An adjourned meeting of the Board of Trade will be held at their rooms in Furlong's Building *this* (Saturday) evening, at half past 7 o'clock, to hear the report of the Committee on Statistics. A full attendance of Members is desired.

THE HARMONEONS—LAST NIGHT.—The Harmoneon Ethiopian Opera Troupe give their farewell performance at Young's Hall, this afternoon and evening, on which occasion they will offer an unusual variety of amusing and attractive performances. They have drawn good houses all through the week, and will no doubt have "a bumper at parting." See programme,

POLICE COURT—March 30.

BEFORE CLINTON WALWORTH, ESQ., POLICE JUSTICE.

William McGrath, charged with an assault with intent to kill his wife, was brought down from jail by Deputy Sheriff Beck—a *nol pros*, was entered by the District Attorney, for the want of testimony, and he was discharged. His wife, when called upon by the officer, *refused* to appear and testify against him.

A warrant was issued against John Doe alias, for an assault and battery upon R. Goodwin at the New York House in this city. The defendant not yet under arrest.

James Russell Lowell.

We learn that Mr. LOWELL will be in Milwaukee to lecture before our Association on *Tuesday, April* 10th. Our citizens may then expect a treat of the choicest kind. Whether as a poet of high thought and fine feeling, or as a satirist, biting and severe on bad men and measures, LOWELL stands by common consent, among the highest of American names. His "Bigelow Papers" will be read and admired as models of old Yankee style and as the best satire in our literature, long after "John P. Robinson he" shall have passed away and been forgotten, with all the men whose measures drew out the "papers."— We know of no book more abounding in capital hits and felicitous discrimination and description than Lowell's "Fable for Critics," which is as full of puns as it is of lines, and still is fit to read from beginning to end. Readers of PUTNAM have all been delighted with "The Moosehead Journal" which is by Lowell, and has been pronounced "the best Magazine article ever written in this country."

As a lecturer, all that we need say is, that LOWELL is worthy of his fame. His course in British Poetry has drawn crowded houses, both afternoon and evening, in Boston, and he seems to have carried them all by storm even "in his own country."

A correspondent of the *Cincinnati Gazette* writes from Boston, as follows:—

"Lowell's lectures have been a most magnificent and most successful course, I think they constitute the finest and most appreciative analysis of the old English poetry in existence; and I care not who the man is, living or dead, on either side of the Atlantic, that is to be compared with him. In May he sails for Europe to spend the summer in following the career of the immortal Quixotte in Spain, and the winter in Germany. In a year he returns to his professorship at Harvard."

We repeat, that we do not expect that our community will soon again have offered them so rare and delightful an entertainment as the lecture by JAMES RUSSELL LOWELL.

New Publications.

Putnam for April.—We are indebted to Archibald Wilson, 175 East Water Street, for an early copy of Putnam for April. It contains an unusually large number of clever original contributions, and well maintains its character as the best American monthly published. With the next number it passes into new hands. Messrs. DIX & EDWARDS, who have bought out the interest of G. P. PUTNAM & Co., and promise to make it even more worthy of public patronage than heretofore.

Cosas de Espana—Redfield, 110 & 112 Nassau St., New York. This is a charming volume. It is made up of a series of graphic sketches, describing a jaunt from Paris to Madrid, *via*. Barcelona, and once begun will not willingly be laid aside, till the end is reached. Several of the chapters have appeared in Putnam. The whole book is racy, jocund and original.

A Long Look Ahead—J. C. Derby, 119 Nassau St., N. Y. A new and interesting story by A. S. Roe author of "James Montjoy" and "to love and to be loved." It is highly commended by the Eastern papers.

SATIRE AND SATIRISTS.—By James Hannay—Redfield, N. Y. A publication, in a neat volume, of a series of Lectures on Satire and Satirists, delivered by Mr. Hannay a year or two ago, and, very well spoken of at the time. These and other late publications may be found at WILSON's, 175 East Water Street.

BRIDGE DOWN—A COUPLE IN THE WATER!— The Chesnut street bridge has been impassable for two or three days past, portions of it having sunk, and venturesome people insist on crossing upon the ice. Thursday evening as a couple—a fair damsel and her lover—were crossing in this way, the ice gave way and let them into the water. Fortunately, by the active exertions of some men who were near at hand, and with the aid of ropes left by the workmen, the dripping lovers were saved from drowning and landed on *terra firma*. This narrow escape should be a warning to others not to trust to the treacherous ice.

HOUSE HUNTING.—There is a great and pressing demand for House Room, this Spring, and the supply is decidedly short. Some of our enterprising capitalists and builders should make immediate preparations for putting up additional dwelling houses. If one or two hundred could be built in the next sixty days they would find tenants readily.

ENGLISH PARTIES.—The last of the series of English parties came off at Concert Hall, on Thursday evening. It was well attended and generally enjoyed. These entertainments have been well conducted, and the surplus of $90, remaining in the Committee's hands, was very generously given, yesterday, to the Protestant Orphan Asylum.

WAUWATOSA MILLS.—We have had a sample of the Flour made at these Mills, by Harris & Mower, which in color and quality compared well with the best brands in market.

☞ The steamer *Arctic* arrived here from Chicago, yesterday afternoon, and after landing 50 passengers and 30 tons freight, went on to Sheboygan. She will leave for Chicago this morning.

REAL ESTATE SALE.—Moses Kneeland sold a lot on Spring st., near the bridge—20 ft. front and 105 ft. deep—to Joel Hood, for $6 400.

☞ The Walker's Point Bridge is undergoing repairs, and though it can be crossed by foot passengers, is impassable for teams.

SIDE WALKS ON SECOND STREET.—The attention of the Aldermen of the Fourth Ward is urgently invited to the condition of the side-walks on Second street, They are sadly out of repair.

☞ The *Wisconsin* which, a few days since, was "assured on good authority" that the Governor *would* sign "a *thorough* Prohibitory Liquor Law," is now assured that he *wont*. Of course, he wont. That is the last straw left to hang to.

RUTH HALL:
A DOMESTIC TALE OF THE PRESENT TIME.
BY FANNY FERN.
400 pp., 12mo. Cloth. Price, $1,25.

IT HAS BEEN RESERVED TO THIS DISTINguished authoress to achieve what may, under the circumstances, be regarded as the most brilliant success ever obtained by an American writer of fiction. "RUTH HALL," her first continuous story, though deriving no interest or popularity from connection with any of those vexed questions which agitate the public mind, has, in the two months since its first appearance, reached a greatly larger sale than any other American work of fiction whatever within the same period. This extraordinary fact is, of itself, abundant evidence of the absorbing interest and graphic power of this remarkable work. We have in our possession several hundred reviews of "RUTH HALL," which have already appeared in the principal newspapers and periodicals. Nearly all of these pronounce it emphatically a work of genius, many predicting for it the largest sale of any American book, and devoting whole columns to its eulogium, while we have seen but a very few (not twelve in all) which deny its singular fascination.

"RUTH HALL" is for sale by Booksellers generally.

JUDICIAL ELECTION,

Tuesday, April 3.

For Associate Justice of the Supreme Court,

ORSAMUS COLE.

☞ The *Asia*, with a week's later dates from Europe is now over-due at Halifax and has probably arrived, but the Telegraph line being down yesterday, we could get no tidings of the [illegible]

The See Bote and the Sentinel.

The *See Bote*, a German Catholic paper, published in this city uttered in its regular daily issue of Tuesday, the following bull of excommunication against the *Sentinel*, by way of backing up our friend Jacob Best's Bail-y corn edict against the same offending paper.

Melancholy, but True.

[illegible] "Sentinel," which hitherto took great [illegible] its nativistic, foreigner-devouring [illegible] could not resist, in the last days [illegible] of its bad nature, and [illegible] like a man who has lost his [illegible]. We ever considered the "Sentinel" a paper [illegible] but we are now compelled to [illegible] have been deceived in it. We see [illegible] of grace, which this paper [illegible] to the immigrated population [illegible] a mask, under which it hid [illegible] native-face. Now, it has [illegible] mask and it stands before us in [illegible] nakedness. The "Sentinel" [illegible] the last days to the level of [illegible] gating paper, and we don't [illegible] mistaken in denouncing it as [illegible] of the Know Nothings of Milwaukee. [illegible] is a character, for which [illegible] honest German, can [illegible]. Only men, like the "Cor[illegible]" [illegible] of that kind, may like it. "A [illegible]"

It is quite unnecessary to say to the readers of the *Sentinel*, be they native-born or adopted citizens that the charge here made against us is a [illegible] deliberate *lie*, unworthy of any man [illegible] a newspaper. The columns of the *Sentinel* are the only witnesses we need or [illegible] the accusation of the *See Bote* as [illegible] maliciously false. We challenge [illegible] editors or proprietors of that concern [illegible] our paper one sentiment, or syllable, [illegible] or even excuse, the gross fabrications [illegible] have thus attempted to palm [illegible] readers. The *Sentinel* has always [illegible] and liberal course towards our [illegible] and condemned alike the banding [illegible] native-born citizens to oppose those [illegible] of the latter to war upon the [illegible]. The [illegible] or editor of the *Sentinel* was a member of the Convention which framed our [illegible], and his vote stands recorded, [illegible] in favor of equal rights, laws [illegible] the citizen by birth and the citizen by adoption. This has been our faith, this our [illegible] during seventeen years connection with the public press. We have never entertained, or expressed any different sentiments, and we are not likely to change our convictions now. Is anything more needed to show how utterly [illegible] and inexcusably false is the charge above [illegible] from the *See Bote*? Nor can we conceive what has prompted them to publish such a base slander against a contemporary at whose hands they have invariably received fair and courteous treatment, unless it be because the *Sentinel* sustains the Prohibitory Liquor Law and condemns the Executive Veto [illegible], measure of the *See Bote*, if that is what you mean when you lyingly charge the *Sentinel* with "throwing off the mask" and show[illegible] ugly and distorted native-face?"

Produce in Store at Milwaukee.

We give an accurate statement of the produce in store at this port to date, March 31, prepared by the Committee of the Board of Trade, and compare it with the approximate estimate of the amount in store at the same date last year.

	March 31, 1854.	March 31, 1855.
Wheat, bushels	410 588	514 714
Corn,	185 680	1,300
[illegible]	66 870	19 881
Rye,	45 631	18,735
Oats,	4 510	7,682
Grass Seed,		428
[illegible]		469
Flour, bbls	55 000	62,926
Pork,	27 235	22,674
[illegible]		4 580
Hams, Shoulders and Hides, lbs,		1 431,364
Beef	347	672

There is a considerable falling off in the common grains (except corn) but a large increase in wheat, flour and the products of the hog. In 1854 the latter item was nearly all included in the 27 235 bbls pork, while in 1855 it is subdivided into Pork, Lard, Hams, Shoulders and Sides. The coming month of April will add to the stock on hand of Grain and Flour, and the opening of navigation, which is scarcely hoped for before the 1st of May, will find full TWO MILLIONS worth of Wisconsin produce at Milwaukee, ready to go forward.

Milwaukee and Mississippi Rail Road.

We are gratified to learn that a very favorable proposition has been made to the Board of Directors of the M. & M. R. R. Company, now in session in this city, for prosecuting and completing the road to its proposed terminus at Prairie du Chien, on the Mississippi, by the 1st of December 1856. The terms offered are not only reasonable in themselves, but entirely within the means of the Company to meet; and the gentlemen submitting the proposition offer ample guarantees that they will fulfil on their part.—The completion of the Rail Road communication between Lake Michigan and the Mississippi, by the M. & M. R. R., within 20 months from date, would confer incalculable advantages upon our City and State. We hope, therefore, that the Directors will promptly accept the pending proposition and put the road under contract to the Mississippi without delay.

ELEVENTH JUDICIAL CIRCUIT.—The Appleton Crescent says it is thought the Legislature will, before its adjournment, organize that portion of Wisconsin, now covered by Lake Michigan, into the 11th Judicial District, the judge to hold court occasionally, if not oftener, on a fishing smack off Bailey's Harbor.

STEAMERS AND VESSELS AT BUFFALO.—The Buffalo *Express* of the 25th says that there are 12 steamers 23 propellers, 10 barques, 25 brigs and 97 schooners—in all 164 vessels—in that port, ready for commission when the Lake opens.

Eight new vessels from three to four hundred tons each, and one new Propeller of about 265 tons are on the stocks, to be ready for service on the opening of navigation.

THAT BRACKETS AN ERROR.—In setting up Jacob Best's proclamation, yesterday, the compositor omitted the brackets round the words "in liquor," in the first line, making it appear that Jacob addressed himself to the "friends of Free Trade in liquor" when he only said—whatever he meant—"the friends of Free Trade."

WISCONSIN & IOWA FARMER.—We are requested by the proprietor of the *Farmer* to state, in explanation of the delays which have attended the publication of the last two numbers, that he has been much hindered by sickness in his family and among his hands and found it impossible to get his press-work done in season. He hopes for better luck in future and meantime solicits the indulgence of his patrons.

MILWAUKEE AND MISSISSIPPI R. R. BONDS.—At Mr. Nicoley's Auction sale of stocks and bonds in Wall Street on Monday last $6000 Milwaukee & Mississippi R. R. 7 per cents sold at 82½.

From Madison.

EDITORIAL CORRESPONDENCE OF THE SENTINEL.

Madison, March 29.

The sky is clear to-day, and the sun shines brightly, giving us the first real Spring day of the season.

The Census Bill has passed both Houses.—Under the embarrassed financial condition of the State, it was thought best not to attempt making a collection of statistics such as was contemplated and much desired, but to confine the matter to a simple enumeration of the people.

In answer to a resolution of enquiry from the Senate, the Secretary of State says that the old contractors on the Fox River Improvement have filed their release of the State from all liabilities under their several contracts.

The Report from the Finance Committee of the Senate, a very brief statement of which I have already sent, is worthy of particular remark not only as showing the people the large amount of taxation which will be imposed upon them as the penalty of their folly in placing the State in the hands of the present administration, but as exhibiting the wonderful discrepancy between the *estimated surplus* of about $35,000, to be found in the Treasury 1st Jan. 1856, and the *actual deficit* of nearly $200,000 at that date. By the time the people have paid the $350,000 to be raised this year, they will appreciate some things as well as others. Let it be noted particularly, that the deficit does not arise from appropriations made this year, but from the vast amount of expenditures which came over to this unfortunate year 1855 to be paid out of last years tax. Thus the Treasury has been drained long ago and a great portion of the appropriations of this session remain over. The State Prison appropriations alone (for South Wing—support of prisoners, &c., &c.,) amount to over $80,000.

SENATE—Bills introduced:

By Mr. Bowen, appropriating $1054 to J. N. Ackerman for fitting iron in State Prison.

By Mr. Bowen, appropriating $54 to W. H. Glasson.

By Mr. Bowen, appropriating to certain persons.

By Mr. Cobb, appropriating to certain persons.

By Mr. Giles, to discontinue certain roads.

By Mr. Harvey, to levy a tax of $350,000—*Passed.*

By Mr. Harvey, appropriating $5000 as a contingent fund, and repealing the clause under which the $600 (*&c.*) was drawn—*passed.*

Messrs Dewey and Worthington were appointed as the Committee on the part of the Senate to confer with Mr. Proudfit.

ASSEMBLY:

Bills introduced:—

By Mr. Welch, to vacate part of the plat of Neenah.

By Mr. Vilas, providing for improvement of buildings in Madison.

By Mr. Rogan, amending an act amending charter of Wat & Berlin R. R.

By Mr. Ramsey, authorizing Ozaukee Co. to purchase an abstract of title.

(Mr. Delany moved to refer this to the delegation from the two counties of Washington and Ozaukee. Mr. Ramsey opposed the reference—*Lost.*)

By Mr. Hull, a memorial to Congress for a grant of Fort Crawford *for a Lunatic Asylum.*

Mr. Pratt, from Committee on Town and County Organization, reported unanimously in favor of the bill for dividing Milwaukee County, introduced by Mr. Chase. The Committee state some of the reasons, one of the most important being the large poor-tax which the county towns are obliged to pay, while the expense is justly to the city; the city licensing dramshops and taking the license fee to itself, while the pauper expense resulting therefrom are paid by the county.

Mr. Goodall moved the reference of the bill and report to the delegation from the county.—He said that although the delegation stood only *one for* to ten (in both Houses) *against* the division, yet the majority did not desire to occupy the time with discussion, and the reference was a proper one in all such cases.

Mr Chase opposed the reference, as being intended to kill the bill. He proceeded to urge reasons for the passage of the bill, alleging that the taxes upon the county towns of Milwaukee county were greatly in excess of those of adjoining towns in other counties. He said that he had presented here petitions from the Supervisors of all the towns but one, and from some 800 people asking for the division.

Mr. Hull, stating that it was too late to consider a question of this importance at this period of session, moved an indefinite postponement. *Lost.*

Mr. O'Neill spoke in favor of the reference, urging that no action had been taken by the people, and no instructions sent to their representatives on the subject. One member only was in favor of the division, and the petitions had been got up by some one on his own account.

Mr. Lavis (from Lake and Greenfield) was against the division, and he believed that his constituents were opposed to it. He was in favor of the reference, so the matter might be talked over. He doubted whether anybody could show him that the taxes were likely to be any less after a division.

Mr. Ruan (from Franklin and Oak Creek) said that he had been at home, and could not find any one in his district who wished for the division. He believed it to be a scheme for making a new batch of County Officers. The gentleman from Wauwatosa had got up the project, in order to make the new county of Wauwatosa.

Mr. Hull said that his experience in these county seat matters determined him to resist the progress of the bill at all hazards, and the majority would have "a lively time" again. He moved a call of the House. The call was made and proceedings under it disposed with.

Mr. Vliet spoke for some time in favor of the reference, when, the morning hour expiring, the subject went over.

Under the head of Reports, Mr. Vliet reported back the Milwaukee Water Works Bill, with amendments providing for a vote of the people on the loan of credit.

A new bill, providing for pre-emptions on Swamp lands, was considered in Committee of the whole, and passed. I doubt whether there is a necessity for this law, since the passage of the late act of Congress, for the relief of settlers on swamp lands.

A resolution passed calling for the distribution of five copies of the Agricultural Report to each member. It was stated by Mr. Van Nostrand that the Society does not intend to issue a volume for 1854.

A long list of bills passed in the morning session.

The session ended with the killing—and a very improper killing, I think—of the Senate bill appropriating the income of the University Fund for 1855 to that institution. A dead set at this institution and its funds have been made by some of the members, led on by Judge Rose.—They complain that the University is not doing as much good as it ought to, and desire to distribute the fund to the various collegiate institutions in the State. It is certainly a matter of regret that the University is not, in its number of students, acquiring such a standing as is fairly to be expected; but just as certainly, the way to improve it is not to take away its means of existence, and lock them up in the Treasury, to be used, perhaps, by others, when the till is empty. I hope the vote will be reconsidered, and the bill pass.

In the afternoon, the Assembly adopted only about half a dozen members voting, a resolution, directing the distribution of 5 copies of the Documentary History to each member.—Mr. Bennett took occasion to express the hope that none should be sent to him. *Query*—will not this heedless action be held as an acceptance of the miserably shabby volume?

In Committee of the whole, the memorial to Congress for a grant of Fort Crawford for a Lunatic Asylum being under consideration, Mr. Hull took occasion to say that he believed the Fort could be obtained for the purpose, and that the building was of stone, and cost the U. S. nearly $100,000—that there were all accommodations for 8 companies of infantry,—and that he thought that the building could be fitted up for $3000. There may or may not be any cat under this meal; but it is currently stated that this project is only one of the steps in carrying out the programme of the administration.—defeated in its Asylum swindle,—of trying to scare the Madison people who have opposed that swindle. As an original proposition, there is good reason to think that the idea of using the Fort as proposed, is a first rate one.

The following bills passed in the afternoon:

Relative to writs of error.
Vacating Adams street in La Crosse.
Requiring the supervisors of Calumet Co., to settle with W. Folsen.
Vacating part of plat of Neenah.
Authorizing Milwaukee to aid Water Works.
For relief of purchasers of Sec. 16, Town 24, Fort Howard Reservation.
Relative to licenses in Dane Co.
Amending charter of Milwaukee.
Charter of St. Louis Bay Transportation Co.
Authorizing D. E. Durkee to build a dam.
Authorizing Fox River Improvement Co., to improve river above Lake Winnebago.
Amending R. S. relative to superintendents of the poor.
Appropriations to Welstood & Co., $280,—for extra labor of convicts in State prison $2813,—S. S. Conover.
Concerning distribution of documents to literary institutions.
Charter of Appleton Hotel Co.
" " Percival Mining Co.

Messrs Welch, O'Neill, and *Wakely,* are the Committee on the part of the Assembly on the Asylum Bill.

P. S. 7½ P. M. The memorial for Fort Crawford passed, 58 to 10.

The Assembly, after a brief discussion, reconsidered the vote refusing to pass the University Bill (the vote was 23 to 44,) and *passed* the bill by vote of 44 to 22. Quite a revolution.

W. H. W.

P. S.—It is well understood that emissaries are at work thoughout the state, laboring to excite our foreign-born citizens to vote *against* Mr. Cole, for Judge of the Supreme Court, on the false charge that he is a member of the order of Know-Nothings, and *for* Mr. Crawford because he is an Irishman. Can it be possible that these men do not see that if they persist in such appeals to nationality, they will inevitably compel American-born citizens to assert their rights, and their power? It must be the poorest sort of stupidity that cannot see this.

For the Sentinel.

Senator McGarry and the Administration.

MESSRS EDITORS:—I perceive an expression of astonishment and curiosity in your paper this morning, as to what could be the matter with Senator McGarry—what has turned him over to "the Forty," and induced him to misrepresent his constituents. Perhaps if you knew how much has been loaned to him, directly or indirectly, thro' the names of friends, from the School Fund—how many choice selections of School Lands have been made by him, thro' the favoritism of Clerks in the School Land Bureau—and what was the consideration for his recent appointment in the Waupun State Prison, in the place of John Lowth, your surprise would cease, and the seeming mystery about the course of the recreant Senator, be explained. Suppose you let your Reporter consult the public records and post you up.

Another "Free Trade in Liquor" Demonstration.

The Ozaukee *Advertiser*, a democratic paper, contains the following communication from a respected citizen of that town. We commend it to the special attention of the people of this State as illustrating the spirit in which a Prohibitory Liquor Law is opposed by certain parties in their midst:

Mr. Editor:—Perhaps I ought to make public acknowledgement of the favors that a portion of the citizens of this place conferred upon me yesterday. Any person under the circumstances could not but have been very grateful. It is well known what my opinion is of Gov. Barstow's efforts to promote temperance in this state, and of his last crowning act in that direction, in particular.

When, therefore, I heard yesterday morning that money was being collected to buy powder to celebrate the veto of the Maine Law bill, I went to the individual who was collecting this money, and represented that I did not think the cause of law and order would thus be promoted, and urged on his mind the fact, which he well knew, that the anti-temperance sentiment of this place needed no such stimulant. I did so, because I knew that individual had influence, and might, by saying the word, prevent another of those disgraceful scenes, for which this place has always had an unenviable notoriety. As the result of that effort on my part, (as I must think,) made in good faith, as a law-abiding citizen, my residence was *surrounded by a large company of inebriated men, and my family insulted in the most vulgar manner, and afterwards they came before my mill door, when one of them made a most brutal assault upon my person.*

Now if the object of this crowd was to express their disapprobation of my course, be it so: I confess to being, both by precept and example, one of the few strictly temperance men of this place, and it is not likely that such demonstrations will change my course. If intimidation was meant, all I have to say is, that it will take an altogether different demonstration to accomplish that object.

Now I do not ask sympathy, but I do ask the well meaning citizens of this place to remember these things, and when the time comes for action, to act in reference to them.

The number of these lawless individuals is not great, and would be fewer but for the liquor traffic, and we can, if we *will*, purge the community of their presence.

RACINE ELECTION.—The Republicans of Racine held a very spirited mass meeting on Wednesday evening last and nominated the following excellent ticket:—

For Mayor—Gilbert Knapp.
For Treasurer—John Roberts.
For City Clerk—Richard W. Rowe.
For City Marshall—Ebenezer Weed.
For Justice—Isaiah G. Parker.
For Railroad Com'r.—Marshall M. Strong.
For School Superintendent—M. P. Kinney.

For Special Assessors—Norman Clark, M. B. Mead, L. B. S. Miller,

After the completion of the ticket, the nominee for Mayor briefly addressed the meeting, after which an adjournment was moved and carried to meet at the polls on Tuesday next, and elect the whole ticket.

EXPORTS FROM BELOIT.—The Beloit *Journal* gives the following table of exports of leading articles from that town, during the year ending March 1st, 1855:—

Consistency—A Partisan Veto.

The objections to the bill to pay Rufus King & Co., for Supreme Court Reports were based on an assumption not warranted by the law authorizing the work. The Governor actually professes a desire to *economize*, and to do it, too, by violating the agreement with the publishers, under the sanction of the State.

The consideration of the subject was postponed until to-morrow afternoon.

Contrast this now with the next veto, endorsing the Proudfit contract, putting the State into a bill of half a million of dollars, under a law authorizing a cost of $22 300.—[Madison Patriot, (dem.)

The Message of the Governor returning the appropriation bill of Rufus King & Co. with objections, was taken up.

After some comments the question, shall the bill pass notwithstanding the Governor's objections, was put and resulted as follows—ayes 42, noes 28.

[The veto of this bill by the Governor is a flagrant and wanton outrage on individual rights, and stands in bold contrast with his action on the Asylum Swindle. The work was done in good faith, under law of the State; and certified to be reasonable and correct by the Judges of the Supreme Court, one of whom, we believe, reported the cases published. The veto has every appearance of being dictated by pure malice, and partizan spite.—[Madison Patriot.

KENOSHA CHARTER ELECTION.—CHARLES C. SHOLES, now Mayor of Kenosha, and an excellent officer, is a candidate for re-election, at the request of citizens of all parties. JOHN V. AYER, a well-known merchant, is his competitor.

A Communication from Mr. Grotkie.

Our worthy friend, Mr. Grotkie, sends us a communication on the subject of the Temperance Bill and the Veto which we hasten to lay before the public. The Millerites should take fresh comfort in Mr. Grotkie's prediction about the two stars running foul of our globe in 1858, and the Liquor Dealers find a novel argument for supplying their customers with strong drink in this world, seeing that, according to Mr. Grotkie, they are not to be allowed a drop of the "crather" in the next.

VERY GENTLE EDITORS OF THE SENTINEL:—

Much resp. Compliment I represent into you, if your Praiseworthy Attention find a little taste? so I wish it to put for your gentle reader, that I was very angry to learn that our else so wise Governor, not find taste to banish away the season of to make pitiful drunkards—but by meditation I discovered, that he, the Praiseworthy Governor, had done very well to the class of people, which estimate the locals of store houses of Drunkard's Stuff, as a little heaven, & why would our else so Praiseworthy Friends of Temperance, take away such a heaven of Drunkard people, if they else life in good order—? why would you torment souls with thirst—before it is time? O Gentle Temperance Friends, take notice of this—pity and meditate in future a better Law—and let orderly wise those people drink, and be drunken, if they please? because in the Exceeding thirsty hell—will offer them not one drink of refreshment. O pity if the hard Declaration of the Divine Constitution are true—and very resp. I entreaty all F. S. let rest the good order of Sweet Soberness—especially there while we life very near on any revolution of the Globe—by certain Chief reason of two stars which 1858, shall come in collision with the Globe—Your C. GROTKIE Milwaukee March 29, 1855.

ONLY ONE NEGATIVE VOTE ON BOTH HOUSES.—Senator Dleredge's Bill, which we give below, repealing the act of last winter, relative to Lunatic Asylum, passed the Assembly (we gave yesterday an account of its passing the Senate unanimously) yesterday with only one dissenting vote, and the Governor finding the thing getting rather warm and seeing no hope of getting it withhis primature ther bill yesterday forenoon to the Senate with his signature So that great swindle is broken up—and the people may be thankful, at having escaped so dreadful a calamity.—[Madison Patriot (Dem.)

BOARD OF TRADE.

An adjourned meeting of the Board of Trade will be held at their rooms in Furlong's Building *this* (Saturday) evening, at half past 7 o'clock, to hear the report of the Committee on Statistics. A full attendance of Members is desired.

THE HARMONEONS—LAST NIGHT.—The Harmoneon Ethiopian Opera Troupe give their farewell performance at Young's Hall, this afternoon and evening, on which occasion they will offer an unusual variety of amusing and attractive performances. They have drawn good houses all through the week, and will no doubt have "a bumper at parting." See programme.

POLICE COURT.—March 30.

BEFORE CLINTON WALWORTH, ESQ., POLICE JUSTICE.

William McGrath, charged with an assault with intent to kill his wife, was brought down from jail by Deputy Sheriff Beck—a *nol pros*, was entered by the District Attorney, for the want of testimony, and he was discharged. His wife, when called upon by the officer, *refused* to appear and testify against him.

A warrant was issued against John Doe alias, for an assault and battery upon R. Goodwin at the New York House in this city. The defendant not yet under arrest.

James Russell Lowell.

We learn that Mr. LOWELL will be in Milwaukee to lecture before our Association on *Tuesday, April* 10th. Our citizens may then expect a treat of the choicest kind. Whether as a poet of high thought and fine feeling, or as a satirist, biting and severe on bad men and measures, LOWELL stands by common consent, among the highest of American names. His "Bigelow Papers" will be read and admired as models of old Yankee style and as the best satire in our literature, long after "John P. Robinson he" shall have passed away and been forgotten, with all the men whose measures drew out the "papers."—We know of no book more abounding in capital hits and felicitous discrimination and description than Lowell's "Fable for Critics," which is as full of puns as it is of lines, and still is fit to read from beginning to end. Readers of PUTNAM have all been delighted with "The Moosehead Journal" which is by Lowell, and has been pronounced "the best Magazine article ever written in this country."

As a lecturer, all that we need say is, that LOWELL is worthy of his fame. His course in British Poetry has drawn crowded houses, both afternoon and evening, in Boston, and he seems to have carried them all by storm even "in his own country."

A correspondent of the *Cincinnati Gazette* writes from Boston, as follows:—

"Lowell's lectures have been a most magnificent and most successful course, I think they constitute the finest and most appreciative analysis of the old English poetry in existence; and I care not who the man is, living or dead, on either side of the Atlantic, that is to be compared with him. In May he sails for Europe to spend the summer in following the career of the immortal Quixotte in Spain, and the winter in Germany. In a year he returns to his professorship at Harvard."

We repeat, that we do not expect that our community will soon again have offered them so rare and delightful an entertainment as the lecture by JAMES RUSSELL LOWELL.

New Publications.

Putnam for April.—We are indebted to Archibald Wilson, 175 East Water Street, for an early copy of Putnam for April. It contains an unusually large number of clever original contributions, and well maintains its character as the best American monthly published. With the next number it passes into new hands, Messrs. DIX & EDWARDS, who have bought out the interest of G. P. PUTNAM & Co., and promise to make it even more worthy of public patronage than heretofore.

Cosas de Espana—Redfield, 110 & 112 Nassau St., New York. This is a charming volume. It is made up of a series of graphic sketches, describing a jaunt from Paris to Madrid, *via.* Barcelona, and once begun will not willingly be laid aside, till the end is reached. Several of the chapters have appeared in Putnam. The whole book is racy, jocund and original.

A Long Look Ahead—J. C. Derby, 119 Nassau St., N. Y. A new and interesting story by A. S. Roe author of "James Montjoy" and "to love and to be loved." It is highly commended by the Eastern papers.

SATIRE AND SATIRISTS.—By James Hannay.—Redfield, N. Y. A publication, in a neat volume, of a series of Lectures on Satire and Satirists, delivered by Mr. Hannay a year or two ago, and, very well spoken of at the time. These and other late publications may be found at WILSON'S, 175 East Water Street.

BRIDGE DOWN—A COUPLE IN THE WATER:—The Chesnut street bridge has been impassable for two or three days past, portions of it having sunk, and venturesome people insist on crossing upon the ice. Thursday evening as a couple—a fair damsel and her lover—were crossing in this way, the ice gave way and let them into the water. Fortunately, by the active exertions of some men who were near at hand, and with the aid of ropes left by the workmen, the dripping lovers were saved from drowning and landed on *terra firma*. This narrow escape should be a warning to others not to trust to the treacherous ice.

HOUSE HUNTING.—There is a great and pressing demand for House Room, this Spring, and the supply is decidedly short. Some of our enterprising capitalists and builders should make immediate preparations for putting up additional dwelling houses. If one or two hundred could be built in the next sixty days they would find tenants readily.

ENGLISH PARTIES.—The last of the series of English parties came off at Concert Hall, on Thursday evening. It was well attended and generally enjoyed. These entertainments have been well conducted, and the surplus of $30, remaining in the Committee's hands, was very generously given, yesterday, to the Protestant Orphan Asylum.

WAUWATOSA MILLS.—We have had a sample of the Flour made at these Mills, by Harris & Mower, which in color and quality compared well with the best brands in market.

☞ The steamer *Arctic* arrived here from Chicago, yesterday afternoon, and after landing 50 passengers and 30 tons freight, went on to Sheboygan. She will leave for Chicago this morning.

REAL ESTATE SALE.—Moses Kneeland sold a lot on Spring st., near the bridge—20 ft. front and 105 ft. deep—to Joel Hood, for $6 400.

☞ The Walker's Point Bridge is undergoing repairs, and though it can be crossed by foot passengers, is impassable for teams.

SIDE WALKS ON SECOND STREET.—The attention of the Aldermen of the Fourth Ward is urgently invited to the condition of the side-walks on Second street. They are sadly out of repair.

☞ The *Wisconsin* which, a few days since, was "assured on good authority" that the Governor *would* sign "a *thorough* Prohibitory Liquor Law," is now assured that he *wont*. Of course, he wont. That is the last straw left to hang to.

The Most Successful American Book.

RUTH HALL:

A DOMESTIC TALE OF THE PRESENT TIME.

BY FANNY FERN.

400 pp., 12mo. Cloth. Price, $1,25.

IT HAS BEEN RESERVED TO THIS DISTINGUISHED authoress to achieve what may, under the circumstances, be regarded as the most brilliant success ever obtained by an American writer of fiction. "RUTH HALL," her first continuous story, though deriving no interest or popularity from connection with any of those vexed questions which agitate the public mind, has, in the two months since its first appearance, reached a greatly larger sale than any other American work of fiction whatever within the same period. This extraordinary fact is, of itself, abundant evidence of the absorbing interest and graphic power of this remarkable work. We have in our possession several hundred reviews of "RUTH HALL," which have already appeared in the principal newspapers and periodicals. Nearly all of these pronounce it emphatically a work of genius, many predicting for it the largest sale of any American book, and devoting whole columns to its eulogium, while we have seen but a very few (not twelve in all) which deny its singular fascination.

"RUTH HALL" is for sale by Booksellers generally.

HOLD ON!

Ye Lumbermen and Shingle Mongers.

WAIT TILL YOU HAVE SEEN

Stevens & Kidder's Patent

FOR RIVING & SHAVING SHINGLES

THIS MACHINE has the preference over all other like Machines in the simplicity of its mechanism and the perfection of its work, as well as in the first cost of the Machine, and the economy of running it.

It rives with a blunt and moveable knife, and shaves by passing the shingle between two knives, thereby shaving both sides at the same time, and on a true and equal taper. The Patent has been sold in several counties, and machines are now in operation in Jefferson, Sauk and Portage counties.

This Machine manufactures from 10 000 to 20 000 shingles per day—requires only a two-horse power, and costs $175.

Again, we say, wait till you see this Machine. A Model of the Machine can be seen at W P FLANDERS Office, Ludington's Block, East Water street, where one of the subscribers will be in attendance.

This truly novel, valuable, and simple machine was invented and patented by S. D Carpenter, Esq, editor of the Wisconsin Patriot, and has attained a celebrity within the last four months, seldom excelled by any invention in the same length of time. Among many facts proving the entire confidence which practical business men have in the completeness of this invention and that it will supersede, for the most part, all other pumps in use, we may cite the following: A company has been formed in Wisconsin with a liberal charter just obtained from the Legislature of that State possessing a capital of $100,000, privilege of manufacturing pumps in six different cities in said State. Hon Geo H Walker, Ex Mayor of Milwaukee, Hon L J Farwell Ex-Governor, and Hon James L. Lewis, present Lieutenant Governor of Wisconsin, are among the corporators. This company has purchased the right for the States named below, at the following rates. Wisconsin at $5 000, Illinois at $7 000, Iowa at $5 000. $50 000 cash capital has already been paid in and the whole of the $100,000 subscribed, and the manufacture of the pumps has been commenced in the city of Milwaukee. The company are confident of making $15,000 a year from furnishing the lead mines alone.—[N. Y. Evening Mirror.

A YOUNG AUTHORESS CONVERTED TO ROMANISM.—A daughter of Mrs Charlotte Eaton, the writer of that delightful book, *Rome in the Nineteenth Century*, has lately been converted to the Roman Church—a consequence, we infer, of the mother's long residence in the papal city. The zeal of the new convert was recently exhibited in a singular manner. She would be married in the subterranean chapel beneath the Church of St. Peter's in Rome, in the presence of the alledged remains of St. Peter himself. So the Pope granted a special permission, and on the sixth of the last month the bridal party, composed mostly of English people descended into crypt, where the marriage ceremony was performed. We have not heard that there was any miraculous rattling of bones, in approval of the important event.—[Boston Register.

CALAMITY.—John Moulen in the employ of H. W Remington, Esq, of this place, was instantly killed at 7 mile Station in this county, by the bursting of a boiler. The boiler a new one had just been placed in the mill, and the explosion was doubtless owing to some defect.

The parents and relatives of the deceased live at Mount Vernon. Mr Remington was also within ten feet of the boiler, but fortunately escaped uninjured.—[Madison Patriot.

DREADFUL ACCIDENT—MAN CUT IN TWO.—Yesterday evening as the train on the Rock Island Railroad was coming into the city, a laboring man attempted to get on the cars, but unfortunately missed his hold, and was thrown under the wheels. He was cut in two instantly. His mangled remains presented a shocking spectacle. We could not learn his name.

Later.—Coroner Branch yesterday evening held an inquest upon the body. It was found that the man's name was J L Valiant Court.—The jury returned a verdict to the effect, that he came to his death by carelessly jumping on the cars while in motion, and thus missing his hold and falling on the track. Two cars passed over the unfortunate man.—[Chicago Press of yesterday.

WISCONSIN.—The Governor of Wisconsin has vetoed the Prohibitory Law recently passed by the Legislature of that State, by a large majorities. If the people do as they have done in other States, they will now turn round and veto the Governor on the first opportunity.—[Chicago Democrat.

That is just what the People will do the very first chance they get.

HINDOOISM IN WISCONSIN.—The Grant County *Herald* translates the following from the *Staats Zeitung* of this place, relative to the judicial election. We think however it is mistaken, and that the article appeared in the Milwaukee *See Bote* originally:

"Mr. Crawford has incurred the dislike of Americans of all parties on account of his foreign birth. The members of the bar of the Supreme Court, except those who cherished native predilection or party prejudices, have called him before the people a second time as candidate for a high judicial office. Crawford is not a man of one idea,—a cold water hypocrite. He is a man of character, science and experience. We shall vote for him."

There seems to be an organized attempt on the part of the German Hunker papers, to make capital out of Mr. Crawford's foreign birth, by intimating that the Know Nothings oppose him.

Now the fact is that so far from having incurred the "dislike of Americans, of all parties, on account of his foreign birth" we have never heard the objection raised against him by Americans.—It was reserved for the Hunker German organs to introduce this test, and to suggest to their readers that Mr. Cole ought not to receive their votes because, unfortunately, he happened to be born in the United States.

The course of the liberal portion of the German press, the *Democrat* at Manitowoc the *Corsar* in Milwaukee, and the *Phoenix* at Oshkosh, presents the marked contrast with that of those hide-bound party organs that submissively follow every sinuosity of the leaders of the sham Democracy, which always exists between the actions of those who are governed by principle, and those who know no higher motive than self-interest.—They have treated both candidates with respect; they have made no references to nationality, to excite the jealousy of their readers against either candidate, and give Mr. Cole their hearty support because they believe him the better man, and his principles more in accordance with the spirit of our institutions then the pro-slavery sentiments of Judge Crawford.—[Madison Journal.

NATIONAL LOAN FUND

LIFE ASSURANCE SOCIETY,

LONDON.

CAPITAL, - - - - $2,500,000.

Guarantee Fund, $100 000, *Deposited with the Comptroller of the State of New York.*

The advantages offered by this Company are many, and the public are invited to call upon the Agent and make themselves acquainted with the System adopted by the Company, when they will be better able to decide whether Life Insurance is desirable or not, and at what Office it is their interest to Insure.

The many reasons why Fire and Marine Insurance should be adopted, are incontrovertible, and Life Insurance, while it in no way interferes with, or underrates these important institutions, has claims which no other system of insurance can have. Human existence must on consideration, enjoy a much higher estimate than worldly property.

While the representative of a family lives, (although, through neglect to insure his *property*, he becomes bankrupt,) he supports his family, but at his *death*, dies also their means of support, unless he has saved them from want by an insurance on his life, which may be done by the payment of a small annual premium, the payment of which has not diminished his own worldly comforts during life.

If young, the annual payment will be light, and if insured with profits, the policy will be constantly growing more valuable, though the *premium* is not increased.

Clergymen and others who have a stated and regular income, *should insure*, well knowing that, at their death their families may be left destitute.

Men engaged in mercantile or manufacturing pursuits ever varying and uncertain in their issues, *should insure*.

The farmer who has still a mortgage on his farm, *should insure*, at least to the extent of it, thereby enabling his family to pay off the debt in case of his death.

HOLLOWAY'S OINTMENT.—A Miraculous Cure of Ulcerous Sores.—Augustus Cook, a compositor, in the office of one of the papers, published in Philadelphia, was afflicted for a long time with scrofulous sores on his arms and legs, his case in the end, became so desperate, that it appeared evident he must forsake his employment. A friend, however, persuaded him to use Holloway's Ointment, and to take the Pills according to the printed directions, which he did. After a short time, he found himself considerably better and by persevering with these remedies, in a few weeks he was completely cured, and is now able to work with renewed vigor.

RHODES'

FEVER AND AGUE CURE,

OR,

NATURE'S INFALLIBLE SPECIFIC.

FOR the Prevention and Cure of Intermittent and Remittent Fevers, Fever and Ague, Chills and Fever, Dumb Ague, General Debility, Night Sweats, and all other forms of disease which have a common origin in Malaria or Miasma. This subtle atmospheric poison which at certain seasons is unavoidably inhaled at every breath, is the same in character wherever it exists,—North, South, East or West—and will everywhere yield to this newly discovered Medicine, which is claimed to be the enaeted DISCOVERY IN MEDICINE EVER MADE.

This specific is so harmless that it may be taken by persons of every age sex or condition, and it will not subject the patient to [illegible] [illegible] [illegible] worse, as is too often the result in the treatment by Quinine, Mercury, Arsenic, and other poisonous or deleterious drugs, not a particle of any of which is admitted into this preparation.

The proprietor distinctly claims these extraordinary results from the use of this NATURAL ANTIDOTE TO MALARIA.

It will entirely protect any resident or traveler even in the most sickly or swampy localities, from any Ague or Bilious disease whatever, or any injury from constantly inhaling Malaria or Miasma.

It will instantly check the Ague in persons who have suffered any length of time, from one day to twenty years, so that they need never have another case, by continuing its use according to directions.

It will immediately relieve all distressing results of Bilious or Ague diseases such as general debility, night sweats, &c. The patient at once begins to recover appetite and strength, and continues until a permanent and radical cure is effected.

Finally, its use will banish Fever and Ague from families and localities. Persons on fall laboring men by adopting [illegible] [illegible] preventative will be free from Ague or Bilious attacks in that season of the year which while it is common is only in the most valuable one to them.

One or two bottles will answer for ordinary cases, some may require more.

Directions printed in German, French and Spanish, accompany each bottle.

Price One Dollar. Liberal discounts made to the trade.

Trade Circulars forwarded on application, and the article will be consigned on liberal terms to responsible parties in every section of the country.

Stevens & Kidder's Patent

FOR RIVING & SHAVING SHINGLES

THIS MACHINE has the preference over all other like Machines in the simplicity of its mechanism and the perfection of its work, as well as in the first cost of the Machine, and the economy of running it

It rives with a blunt and moveable knife, and shaves by passing the shingle between two knives, thereby shaving both sides at the same time, and on a true and equal taper The Patent has been sold in several counties, and machines are now in operation in Jefferson, Sauk and Portage counties.

This Machine manufactures from 10 000 to 20 000 shingles per day—requires only a two-horse power, and costs $175

Again, we say, wait till you see this Machine A Model of the Machine can be seen at W P FLANDERS Office, Ludington's Block, East Water street, where one of the subscribers will be in attendance

MILWAUKEE, - WISCONSIN.

DEATH FROM A FALL —Dr J S Bench, Coroner, reports the death of a young man named Robert Burns, who fell from the top of a flight of stairs last Wednesday evening, and broke his neck. He was a sailor about 25 years of age, with friends at Fond du Lac and Milwaukee, and is said to have been intoxicated on the day of his death — Chicago Press, of yesterday

The Pump Without a Valve.

This truly novel, valuable, and simple machine was invented and patented by S. D CARPENTER, Esq, editor of the Wisconsin Patriot, and has attained a celebrity within the last four months, seldom excelled by any invention in the same length of time Among many facts proving the entire confidence which practical business men have in the complete success of this invention and that it will supercede, for the most part, all other pumps in use, we may cite the following: A company has been formed in Wisconsin with a liberal charter just obtained from the Legislature of that State possessing a capital of $100,000, privilege of manufacturing pumps in six different cities in said State Hon Geo H Walker, Ex Mayor of Milwaukee, Hon L J Farwell Ex-Governor, and Hon James L Lewis, present Lieutenant Governor of Wisconsin, are among the corporators This company has purchased the right for the States named below, at the following rates. Wisconsin at $5 000, Illinois at $7 000, Iowa at $5 000 $50 000 cash capital has already been paid in and the whole of the $100,000 subscribed, and the manufacture of the pumps has been commenced in the city of Milwaukee The company are confident of making $15,000 a year from furnishing the lead mines alone.—[N. Y Evening Mirror

A YOUNG AUTHORESS CONVERTED TO ROMANISM. —A daughter of Mrs Charlotte Eaton, the writer of that delightful book, *Rome in the Nineteenth Century*, has lately been converted to the Roman Church—a consequence, we infer, of the mother's long residence in the papal city The zeal of the new convert was recently exhibited in a singular manner She would be married in the subterranean chapel beneath the Church of St. Peter's in Rome, in the presence of the alleged remains of St. Peter himself So the Pope granted a special permission, and on the sixth of the last month the bridal party, composed mostly of English people descended into crypt, where the marriage ceremony was performed We have not heard that there was any miraculous rattling of bones, in approval of the important event —[Boston Register.

CALAMITY.—John Moulen in the employ of H. W Remington, Esq, of this place, was instantly killed at 7 mile Station in this county, by the bursting of a boiler. The boiler a new one had just been placed in the mill, and the explosion was doubtless owing to some defect.

The parents and relatives of the deceased live at Mount Vernon Mr Remington was also within ten feet of the boiler, but fortunately escaped uninjured —[Madison Patriot.

DREADFUL ACCIDENT—MAN CUT IN TWO —Yesterday evening as the train on the Rock Island Railroad was coming into the city, a laboring man attempted to get on the cars, but unfortunately missed his hold, and was thrown under the wheels. He was cut in two instantly. His mangled remains presented a shocking spectacle. We could not learn his name

Later.—Coroner Branch yesterday evening held an inquest upon the body It was found that the man's name was J L Valiant Court — The jury returned a verdict to the effect, that he came to his death by carelessly jumping on the cars while in motion, and thus missing his hold and falling on the track Two cars passed over the unfortunate man —[Chicago Press of yesterday.

WISCONSIN.—The Governor of Wisconsin has vetoed the Prohibitory Law recently passed by the Legislature of that State, by a large majorities. If the people do as they have done in other States, they will now turn round and veto the Governor on the first opportunity.—[Chicago Democrat.

That is just what the People will do the very first chance they get.

HUNDOCISM IN WISCONSIN —The Grant County *Herald* translates the following from the *Staats Zeitung* of this place, relative to the judicial election. We think however it is mistaken, and that the article appeared in the Milwaukee *See Bote* originally:

"Mr. Crawford has incurred the dislike of Americans of all parties on account of his foreign birth. The members of the bar of the Supreme Court, except those who cherished native predilection or party prejudices, have called him before the people a second time as candidate for a high judicial office Crawford is not a man of one idea,—a cold water hypocrite. He is a man of character, science and experience We shall vote for him

There seems to be an organized attempt on the part of the German Hunker papers to make capital out of Mr. Crawford's foreign birth, by intimating that the Know Nothings oppose him.

Now the fact is that so far from having incurred the "dislike of Americans, of all parties, on account of his foreign birth" we have never heard the objection raised against him by Americans.—It was reserved for the Hunker German organs to introduce this test, and to suggest to their readers that Mr. Cole ought not to receive their votes because, unfortunately, he happened to be born in the United States.

The course of the liberal portion of the German press, the *Democrat* at Manitowoc the *Corsar* in Milwaukee, and the *Phoenix* at Oshkosh, presents the marked contrast with that of those hide-bound party organs that submissively follow every sinuosity of the leaders of the sham Democracy, which always exists between the actions of those who are governed by principle, and those who know no higher motive than self-interest.—They have treated both candidates with respect; they have made no references to nationality, to excite the jealousy of their readers against either candidate, and give Mr Cole their hearty support because they believe him the better man, and his principles more in accordance with the spirit of our institutions than the pro-slavery sentiments of Judge Crawford.—[Madison Journal.

Guarantee Fund, $100 000, *Deposited with the Comptroller of the State of New York.*

The advantages offered by this Company are many, and the public are invited to call upon the Agent and make themselves acquainted with the System adopted by the Company, when they will be better able to decide whether Life Insurance is desirable or not, and at what Office it is their interest to insure.

The many reasons why Fire and Marine Insurance should be adopted, are incontrovertible, and Life Insurance, while it in no way interferes with, or undervalues these important institutions, has claims which no other system of insurance can have Human existence must on consideration, enjoy a much higher estimate than worldly property.

While the representative of a family lives, (although, through neglect to insure his *property*, he becomes bankrupt,) he supports his family but at his *death*, dies also their means of support, unless he has saved them from want by an insurance on his Life, which may be done by the payment of a small annual premium, the payment of which has not diminished his own worldly comforts during life.

If young, the annual payment will be light, and if insured with profits, the policy will be constantly growing more valuable, though the *premium* is not increased

Clergymen and others who have a stated and regular income, *should insure*, well knowing that, at their death their families may be left destitute,

Men engaged in mercantile or manufacturing pursuits ever varying and uncertain in their issues, *should insure*

The farmer who has still a mortgage on his farm, *should insure*, at least to the extent of it, thereby enabling his family to pay off the debt in case of his death

HOLLOWAY'S OINTMENT.—A Miraculous Cure of Ulcerous Sores.—Augustus Cook, a compositor, in the office of one of the papers, published in Philadelphia, was afflicted for a long time with scrofulous sores on his arms and legs, his case in the end, became so desperate, that it appeared evident he must forsake his employment. A friend, however, persuaded him to use Holloway's Ointment, and to take the Pills according to the printed directions, which he did After a short time, he found himself considerably better and by persevering with these remedies, in a few weeks he was completely cured, and is now able to work with renewed vigor.

OR,
NATURE'S INFALLIBLE SPECIFIC.

FOR the Prevention and Cure of Intermittent and Remittent Fevers, Fever and Ague, Chills and Fever, Dumb Ague General Debility, Night Sweats, and all other forms of disease which have a common origin in Malaria or Miasma This subtle atmospheric poison which at certain seasons is unavoidably inhaled at every breath, is the same in character wherever it exists,—North, South, East or West — and will everywhere yield to this newly discovered antidote, which is claimed to be the greatest DISCOVERY IN MEDICINE EVER MADE.

This specific is so harmless that it may be taken by persons of every age sex or condition, and it will not substitute one disease for another still worse, as is too often the result in the treatment by Quinine Mercury, Arsenic, and other poisonous or deleterious drugs, not a particle of any of which is admitted into this preparation

The proprietor distinctly claims these extraordinary results from the use of this NATURAL ANTIDOTE TO MALARIA

It will entirely protect any resident or traveler even in the most sickly or swampy localities, from any Ague or Bilious disease whatever, or any injury from constantly inhaling Malaria or Miasma

It will instantly check the Ague in persons who have suffered any length of time, from one day to twenty years, so that they need never have another chill, by continuing its use according to directions

It will instantly relieve all distressing results of Bilious or Ague diseases such as general debility, night sweats, &c The patient at once begins to recover appetite and strength, and continues until a permanent and radical cure is effected

Finally, its use will banish Fever and Ague from families and whole neighborhoods Farmers and all laboring men by adopting it as a preventive will be free from Ague or Bilious attacks in that season of the year which while it is the most sickly is the most valuable one to them

One or two bottles will answer for ordinary cases, some may require more

Directions printed in German, French and Spanish, accompany each bottle

Price One Dollar Liberal discounts made to the trade

Trade circulars forwarded on application, and the article will be consigned on liberal terms to responsible parties in every section of the country

THE UNDERSIGNED WOULD RESPECTFULLY announce to the Public, that he has opened, on

Spring Street, Opposite the American House,

A NEW

PIANO FORTE WARE-ROOM!

Where he will keep on hand a good assortment of the celebrated

AMERICAN ACTION PIANO FORTES,

Manufactured by GIBSON HEWS, of Boston, Mass.

The Patent American Action Piano Forte is distinguished for its great fullness, richness and sweetness of tone, evenness of scale, and delicacy of touch. The improvement in the Action renders it less liable to derangement, and also greatly facilitates execution. Numerous medals, diplomas and certificates have been received from various fairs and industrial exhibitions in different cities of the Union, from the World's Fair at London, and flattering testimonials from the profession, residents at Boston and elsewhere, among which are the following:

From the illustrious Pianist, L. M. GOTTSCHALK, to Mr Hews, Agent at New York:

NEW YORK, Dec. 5, 1853.

MR. N. J. CURTISS:—

Dear Sir: Having had the pleasure of performing upon Geo Hews' American Action Piano at the World's Fair in this city the present year, and other of his Pianos at your Wareroom, which afforded me much gratification, I cheerfully recommend them to the public. I am very glad of the improvement in the action. These instruments likewise are of excellent tone, giving, no doubt, to the perfection of the scales.

Very Respectfully, L. M. GOTTSCHALK.

From the distinguished Pianist, WILLIAM MASON:

MR. HEWS:—Having repeatedly played upon the Piano Fortes manufactured by you, with the American Action, I am free to acknowledge, that for certainty and elasticity of action, power, purity and equality of tone, I have never seen them surpassed in the square Piano Forte.

WILLIAM MASON.

Purchasers and lovers of music in general, are respectfully invited to call and examine these instruments. These Pianos will be sold at Boston prices, and warranted to give satisfaction in every respect.

☞ Pianos to Let. Old Pianos taken in exchange, and liberal prices allowed.

☞ Pianos Tuned and Repaired.

USE THE

Magic Impression Paper!

For Writing without Pen or Ink, Copying Leaves, Plants, Flowers, Pictures, Patterns for Embroideries, Marking Linen indelibly, and

MANIFOLD WRITING.

THIS ARTICLE IS ABSOLUTELY THE BEST PORtable inkstand in the known world, for a small quantity folded and placed in the pocket constitutes a traveling inkstand, which cannot be broken. No pen is needed, for any stick sharpened to a point, writes equally as well as the best gold pen in the universe. For drawing it is indispensable. It is, indeed, the whole art of Drawing and Painting—taught in ONE LESSON. Any leaf, plant or flower can be transferred to the pages of an album with a minute and distinct resemblance of nature. With equal facility, pictures and embroidery patterns are taken, and have received the highest eulogiums from the fair sex; and, indeed, a more tasteful present for a lady could not be produced.

This Magic Paper will also mark Linen, or other articles, so as to remain perfectly indelible. All the washing in the world fails to bring it out. Any CHILD can use it with perfect ease. With this Magic Paper, likewise, ONE or FOUR copies of every letter written can be secured without any additional labor whatever, making it the cheapest article extant. It is used to great advantage by reporters of the public press, telegraphic operators and hosts of others.

Each package contains four different colors—Black, Blue, Green, and Red, with full and printed instructions, for ALL to use, and will last sufficiently long to obtain Five Hundred distinct Impressions.

It is put up in beautifully enamelled, colored envelopes, with a truthful likeness of the Proprietor attached. Each and every package warranted.

PRICE—$2 a Dozen; or, Five for One Dollar. Single Packages, 25 Cents. Address, post-paid,
N. HUBBELL, 167 Broadway, N. Y.

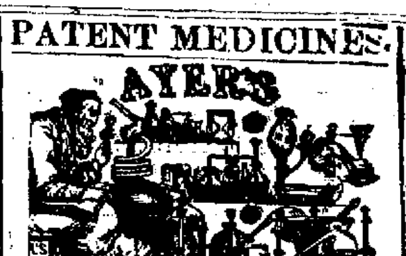
PATENT MEDICINES.



CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyments, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicines or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following, and refer further enquiry to my American Almanac, which the Agents below named, will always be pleased to furnish free, wherein are all particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R. R., S. C., Aug. 4, '53.

DR. J. C. AYER: Dear Sir,—My little son, four years old, has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten, and every person that visited him pronounced him a dead child. Having used your CHERRY PECTORAL, in California, in the winter of 1850, for a severe attack of Bronchitis, with entire success, I was induced to *try it on my little boy.* I gave him a teaspoonful every three hours, commencing in the morning, and by 10 o'clock at night, I found a decided change for the better, and after three days use, he was able to eat or drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. *For all affections of the Throat and Lungs* I believe it is the best medicine extant. A feeling of the deepest gratitude prompts me in addressing you these lines,—but for your important discovery, my little boy would now have been in another world.

I am yours, with great respect
J. D. POWELL, Supt. Trans., L. R. R.

Rocky Hill, Somerset Co., N. J., July 21, 1852.

DR. J. C. AYER:—Since your medicine has become known here it has a greater demand than any other cough remedy we have ever sold. *It is spoken of in terms of unmeasured praise by those who have used it,* and I know of some cases where the best they can say of it is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.

Please send me a further supply, and believe me
Yours, with respect, JOHN C. WHITLOCK.

P. S.—Almost any number of certificates can be sent you if you wish it.

Windsor, C. W., June 26, 1855.

DR. J. C. AYER—Sir:—This may certify that I have used your CHERRY PECTORAL for upwards of one year, and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.

Yours very respectfully,
D. A. McCLURE, Attorney at Law.

Wilkesbarre, Pa., Sept. 28, 1850.

DR. J. C. AYER—My dear Sir:—Your medicine is much approved by those who have used it here, and its composition is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, as do many of our principal physicians. I am your friend,
CHAS. STREATER, M. D.

Prepared by Dr. J. C. Ayer, Chemist, Lowell, Ms.

MEXICAN MUSTANG LINIMENT

THIS EXTRAORDINARY MEDICINE IS STILL working wonders throughout the World—eradicating everything in the form of disease that comes within the circle of its influence.

The People Themselves

have long since adopted it as the only external remedy they could rely upon, and the indisputable testimony of thousands is fast sweeping away

The Prejudices of the Faculty.

It is extensively used by the Ladies,
It is used by Mechanics and Laboring men,
It is used in families and factories,
It is used expressly by all Express Companies,
It is used by Farmers and Livery stable keepers,
It is used by everybody, and all speak in its praise,
Where it is used, pain cannot exist,
The benumbed limbs are made elastic,
The deep ulcers and frightful sores are healed,
The unstrung nerves are made to vibrate with joy!

Use the Mustang Liniment.

is the spontaneous advice of all.

It has cured more cases of

Rheumatism

than any other medicine ever used. Its efficacy in this terrible disease is acknowledged by all who have used it. It not only cures the complaint, but appears to give vigor and elasticity to the limbs, before unknown—thus performing a double office.

For contractions of the limbs, stiffness of the joints and muscles, hard lumps, swellings and inflammations, it is unrivalled in the power and efficacy of its operations.

For Bruises, Sprains, Cuts, Scalds and Burns, but a few applications are necessary in order to effect a total cure.

Cancer, or Scrofulous Sores, Tetter, Ringworms, Salt Rheum, Scurvy, Erysipelas, Boils, and Eruptions,

can generally be removed in a few days—and the worst cases can be cured in a few weeks at the farthermost. Persons afflicted with these diseases, should be careful in getting the right article to cure them.

Use it upon Your Horses,

for spavin, splint, ring-bone, fistula, wind-galls, big-heads, bruises, strains, string halt, scratches, cracked heels, sweeney, saddle, collar, or harness galls, hard lumps or tumors, film or other diseases of the eye, poll-evil, &c.

The finest horses in the city of New York will be found in the stables of the various Express Companies—and they all use

The Mustang Liniment,

totally discarding any other preparations of the kind, and have all given their certificate in its favor.

This we presume will be a sufficient guarantee to induce every one who owns a horse, to give the Mustang a trial.

THERE is no Druggist or Country Store keeper
Who pretends to keep medicine at all,
But what keeps a constant supply of the

Mexican Mustang Liniment.

The small size retail for 25 cents per bottle,
The medium sized retail for 50 cents per bottle,
The large sized retail for one dollar per bottle,
The medium hold three times as much as the small.
The large holds nearly three times as much as the medium,
Therefore the largest bottles are the cheapest

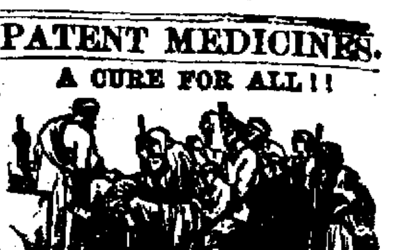
PATENT MEDICINES.

A CURE FOR ALL!!



HOLLOWAY'S OINTMENT.

Citizens of the Union:—

You have done me the honor with one voice, from one end of the Union to the other to stamp the character of my Ointment with your approbation. It is scarcely two years since I made it known among you, and already, it has obtained more celebrity than any other Medicine in so short period. THOMAS HOLLOWAY,
80, Corner of Ann and Nassau Streets, New York.

CURE OF SORE LEGS, AFTER 9 YEARS STANDING.

Mr. W. J. Langley, of Huntsville, Yadkin, North Carolina, suffered for nine years with one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying every medicine he had ever heard of, he resigned in despair all hope of being cured; but a friend brought him a couple of Pots of Holloway's Ointment, which caused the sores on his legs to heal, and he entirely regained his health, to the astonishment of his acquaintances and friends.

CURE OF A BAD BREAST, WHEN THE PATIENT WAS AT DEATH'S DOOR.

Mr. R. DURANT, of New Orleans, addressed Professor HOLLOWAY as follows:—For 7 years my wife had a bad breast, with ten running wounds, (not of a cancerous nature,) I was told that nothing could save her; she was then induced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your Medicines from Messrs. Wright & Co., of Chartres st., New Orleans. I send this from "Hotel des Princes," Paris, although I had written it at New Orleans, before we finally left, not knowing your address at New York.

Nov. 8th, 1853. (Signed) R. DURANT.

The Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs	Contracted and	Lumbago	Sore-throats
Bad Breasts	Stiff Joints	Piles	Skin-diseases
Burns	Fistulas	Rheumatism	Scurvy
Bunions	Gout	Salt Rheum	Sore heads
Chilblains	Glandular-	Scalds	Ulcers
Chapped hands	swellings	Sore nipples	Wounds.

⁂ Sold at the establishment of Professor HOLLOWAY, 80, Corner of Ann and Nassau Streets, New York; also by all respectable Druggists and Dealers in Medicines throughout the United states, in Pots, at 37½ cents, 87 cents, and $1.50 cents each. To be had Wholesale of the principal Drug Houses in the Union.

☞ There is a considerable saving by taking the larger sizes.

N. B. Directions for the guidance of patients in every disorder are affixed to each Pot.

New York, Dec. 5, 1843.

MR. N. J. CURTISS:

Dear Sir: Having had the pleasure of performing upon Geo Hews' American Action Piano at the World's Fair in this city the present year, and others of his Piano at your Ware-room, which afforded me much gratification, I cheerfully recommend them to the public. I am very glad of the improvement in the action. These instruments likewise are of excellent tone, evenly, and no doubt, to be perfection of the kind.

Very Respectfully, L. M. GOTTSCHALK.

From the distinguished Pianist, WILLIAM MASON:

MR. HEWS:—Having repeatedly played upon the Piano Forte manufactured by you, with the American Action, I am free to acknowledge, that for certainty and elasticity of action, power, purity and equality of tone, I have never seen them surpassed in the square Piano Forte.

WILLIAM MASON.

Purchasers and lovers of music in general, are respectfully invited to call and examine these instruments. These Pianos will be sold at Boston prices, and warranted to give satisfaction in every respect.

☞ Pianos to Let. Old Pianos taken in exchange, and liberal prices allowed.

☞ Pianos Tuned and Repaired.

USE THE

Magic Impression Paper!

For Writing without Pen or Ink, Copying Leaves, Plants, Flowers, Pictures, Patterns for Embroideries, Marking Linen indelibly, and

MANIFOLD WRITING.

THIS ARTICLE IS ABSOLUTELY THE BEST PORtable inkstand in the known world, for a small quantity folded and placed in the pocket constitutes a travelling inkstand which cannot be broken. No pen is needed, for any stick sharpened to a point, writes equally as well as the best gold pen in the universe. For drawing it is indispensable. It is, indeed, the whole art of Drawing and Painting—taught in ONE LESSON. Any leaf, plant or flower can be transferred to the pages of an album with a minute and distinct resemblance of nature. With equal facility, pictures and embroidery patterns are taken, and have received the highest eulogiums from the fair sex; and, indeed, a more tasteful present for a lady could not be produced.

This Magic Paper will also mark Linen, or other articles, so as to remain perfectly indelible. All the washing in the world fails to bring it out. Any child can use it with perfect ease. With this Magic Paper, likewise, ONE or FOUR copies of every letter written can be secured without any additional labor whatever, making it the cheapest article extant. It is used to great advantage by reporters of the public press, telegraphic operators and hosts of others.

Each package contains four different colors—Black, Blue, Green, and Red, with full and printed instructions, for ALL to use, and will last sufficiently long to obtain Five Hundred distinct Impressions.

It is put up in beautifully enamelled, colored envelopes, with a truthful likeness of the Proprietor attached. Each and every package warranted.

PRICE—$2 a Dozen; or, Five for One Dollar. Single Packages, 25 Cents. Address, post-paid,

N. HUBBELL, 167 Broadway, N. Y.

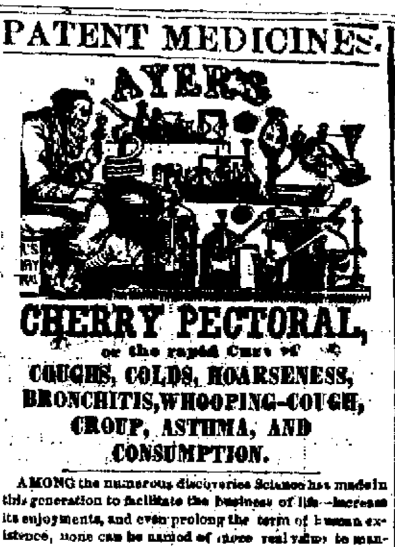
PATENT MEDICINES.



CHERRY PECTORAL,

for the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

AMONG the numerous discoveries Science has made in this generation to facilitate the business of life—increase its enjoyments, and even prolong the term of human existence, none can be named of more real value to mankind, than this contribution of Chemistry to the Healing Art. A vast trial of its virtues throughout this broad country, has proven beyond a doubt, that no medicine or combination of medicines yet known, can so surely control and cure the numerous varieties of pulmonary disease which have hitherto swept from our midst thousands and thousands every year. Indeed, there is now abundant reason to believe a Remedy has at length been found which can be relied on, to cure the most dangerous affections of the lungs. Our space here will not permit us to publish any proportion of the cures effected by its use, but we would present the following, and refer further enquiry to my American Almanac, which the Agents below named, will always be pleased to furnish free, wherein are all particulars, and indisputable proof of these statements.

Office of Transportation, Laurens R.R., S.C., Aug. 4, '53.

DR. J. C. AYER: Dear Sir,—My little son, four years old, has just recovered from a severe attack of malignant Scarlet Fever, his throat was rotten, and every person that visited him pronounced him a dead child. Having used your CHERRY PECTORAL, in California, in the winter of 1850, for a severe attack of Bronchitis, with entire success, I was induced to try it on my little boy. I gave him a teaspoonful every three hours, commencing in the morning, and by 10 o'clock at night, I found a decided change for the better, and after three days use, he was able to eat or drink without pain.

Its use in the above named disease will save many a child from a premature grave, and relieve the anxiety of many a fond parent. For all affections of the Throat and Lungs I believe it is the best medicine extant. A feeling of the deepest gratitude prompts me in addressing you these lines,—but for your important discovery, my little boy would now have been in another world.

I am yours, with great respect
J. D. POWELL, Supt. Trans., L. R. R.

Rocky Hill, Somerset Co., N. J., July 21, 1852.

DR. J. C. AYER:—Since your medicine has become known here it has a greater demand than any other cough remedy we have ever sold. It is spoken of in terms of unmeasured praise by those who have used it, and I know of some cases where the best they can say of it is not too much for the good it has done. I take pleasure in selling it, because I know that I am giving my customers the worth of their money, and I feel gratified in seeing the benefit it confers.

Please send me a further supply, and believe me
Yours, with respect, JOHN C. WHITLOCK.

P. S.—Almost any number of certificates can be sent you if you wish it.

Windsor, C. W., June 26, 1851.

DR. J. C. AYER—Sir:—This may certify that I have used your CHERRY PECTORAL for upwards of one year, and it is my sincere belief that I should have been in my grave ere this time if I had not. It has cured me of a dangerous affection of the lungs, and I do not overstate my convictions when I tell you it is a priceless remedy.

Yours very respectfully,
D. A. McCLURE, Attorney at Law.

Wilkesbarre, Pa., Sept. 28, 1850.

DR. J. C. AYER—My dear Sir:—Your medicine is much approved by those who have used it here, and its composition is such as to insure and maintain its reputation. I invariably recommend it for pulmonary affections, as do many of our principal physicians. I am your friend,
CHAS. STREATER, M. D.

MEXICAN MUSTANG LINIMENT

THIS EXTRAORDINARY MEDICINE IS STILL working wonders throughout the World—eradicating everything in the form of disease that comes within the circle of its influence.

The People Themselves

have long since adopted it as the only external remedy they could rely upon, and the indisputable testimony of thousands is fast sweeping away

The Prejudices of the Faculty.

It is extensively used by the Ladies,
It is used by Mechanics and Laboring men,
It is used in families and factories,
It is used expressly by all Express Companies,
It is used by Farmers and Livery stable keepers,
It is used by everybody, and all speak in its praise,
Where it is used, pain cannot exist,
The benumbed limbs are made elastic,
The deep ulcers and frightful sores are healed,
The unstrung nerves are made to vibrate with joy!

Use the Mustang Liniment.

is the spontaneous advice of all.

It has cured more cases of

Rheumatism

than any other medicine ever used. Its efficacy in this terrible disease is acknowledged by all who have used it. It not only cures the complaint, but appears to give vigor and elasticity to the limbs, before unknown—thus performing a double office.

For contractions of the limbs, stiffness of the joints and muscles, hard lumps, swellings and inflamations, it is unrivalled in the power and efficacy of its operations.

For Bruises, Sprains, Cuts, Scalds and Burns, but a few applications are necessary in order to effect a total cure.

Cancer, or Scrofulous Sores, Tetter, Ringworms, Salt Rheum, Scurvy, Erysipelas, Boils, and Eruptions,

can generally be removed in a few days—and the worst cases can be cured in a few weeks at the furthest. Persons afflicted with these diseases, should be careful in getting the right article to cure them.

Use it upon Your Horses,

for spavin, splint, ring-bone, fistula, wind-galls, big-heads, bruises, strains, string halt, scratches, cracked heels, sweeney, saddle, collar, or harness galls, hard lumps or tumors, film or other diseases of the eye, poll-evil, &c.

The finest horses in the city of New York will be found in the stables of the various Express Companies—and they all use

The Mustang Liniment,

totally discarding any other preparations of the kind, and have all given their certificate in its favor.

This we presume will be a sufficient guarantee to induce every one who owns a horse, to give the Mustang a trial.

THERE is no Druggist or Country Store keeper
Who pretends to keep medicine at all,
But what keeps a constant supply of the

Mexican Mustang Liniment.

The small size retail for 25 cents per bottle,
The medium sized retail for 50 cents per bottle,
The large sized retail for one dollar per bottle,
The medium hold three times as much as the small.
The large holds nearly three times as much as the medium,

Therefore the largest bottles are the cheapest

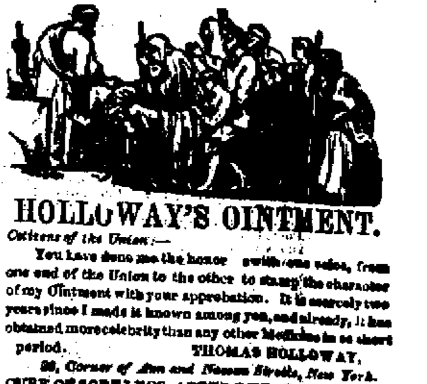
A CURE FOR ALL!!



HOLLOWAY'S OINTMENT.

Citizens of the Union:—

You have done me the honor [illegible] with one voice, from one end of the Union to the other to stamp the character of my Ointment with your approbation. It is scarcely two years since I made it known among you, and already, it has obtained more celebrity than any other Medicine in so short period.

THOMAS HOLLOWAY,
80, Corner of Ann and Nassau Streets, New York.

CURE OF SORE LEGS, AFTER 9 YEARS STANDING.

Mr W. J. Langley, of Huntsville, Yadkin, North Carolina, suffered for nine years with one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying every medicine he had ever heard of, he resigned in despair all hope of being cured; but a friend brought him a couple of Pots of Holloway's Ointment, which caused the sores on his legs to heal, and he entirely regained his health, to the astonishment of his acquaintances and friends.

CURE OF A BAD BREAST, WHEN THE PATIENT WAS AT DEATH'S DOOR.

Mr. R. DURANT, of New Orleans, addressed Professor HOLLOWAY as follows:—For 7 years my wife had a bad breast, with ten running wounds, (not of a cancerous nature.) I was told that nothing could save her; she was then induced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your Medicines from Messrs. Wright & Co. of Chartres st., New Orleans. I send this from "Hotel des Princes," Paris, although I had written it at New Orleans, before we finally left, not knowing your address at New York.

Nov. 8th, 1853. (Signed) R. DURANT.

The Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs	Contracted and Stiff Joints	Lumbago	Sore-throat
Bad Breasts		Piles	Skin-diseases
Burns	Fistulas	Rheumatism	Scurvy
Bunions	Gout	Salt Rheum	Sore heads
